

# Your Child & Feeding Problems

## with Cathleen C. Piazza, Ph.D

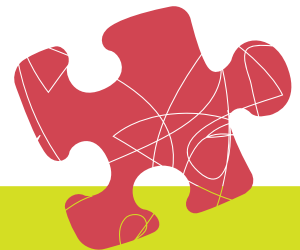

Parent Training  
Thursday, September 29, 2016  
6:30-8:30pm  
North Suburban YMCA, NE Room  
2705 Techny Road, Northbrook, IL 60062

Why is my child not eating? What can I do about it? If these are questions you have been asking yourself then this is the training for you.

Don't miss this dynamic parent training by Cathleen C. Piazza, Ph.D. on understanding why children do not eat and on development of effective treatments. The research Piazza has conducted has been among the most systematic in the field and has firmly established her approach as the most effective method for assessment and treatment of pediatric feeding disorders.

About Cathleen C. Piazza: Dr. Piazza is a national renowned physician specializing in pediatric feeding disorders. She received her doctorate from Tulane University in New Orleans, LA. Dr. Piazza is a Professor in Pediatrics at University of Nebraska Medical Center (UNMC) and the director of the Pediatric Feeding Disorders Program at Munroe-Meyer Institute (MMI).
