

Discover Toys that Improve Your Child's Language Skills

Join AHSS' Speech Language Therapist, Jillian Perz at the Autism Community Store where she will demonstrate how parents can teach their children language skills by using a variety of toys. Several examples will be shown for children of different ages!

When:

Saturday, September 26th
10:00 am – 11:00 am

Where:

Autism Community Store
14095 E. Exposition Avenue
Aurora, CO 80112

JILLIAN PERZ, MA, CCC-SLP

Jillian Perz has been practicing for 5 years. She received her M.A. in speech-language pathology from Eastern Michigan University, and currently holds her CO license and her certificate of clinical competency from ASHA. She truly loves working with children and families to help them reach their highest potential.

We look forward to seeing you there—
no RSVP is necessary!
